PRICE ONE CENT.

NEW YORK, TUESDAY, DECEMBER 2, 1890.

Talent in the First

Evangeline, Mohican and Folsom, All Favorites Won Easily,

The snow that feil last night was still mantling the track at Guttenburg this afternoon, and imparted a genuine winter-like appearance to the whole place. Icicles giftered from the edge of the grand stand, and a bitter wind swept through the open course with billing

For the first race Meriden was made a topheavy favorite at odds on, but for what reason keen judges were at a loss to know.

Salisbury, whose good, consistent running of the past few days was worthy of notice, went begging at 5 to 1 and the others were a

the cold until the tardy Stient appeared at the

The favorite could do no better than third is ine race, Salisbury winning easily by a length from Can't Tell.

Little Fred opened even up with Evangeline, but retrograded a couple of points. Kate Clark

was well backed.

the others were at long odds.

The lavorile won easily by a length. Queen liatte and Painen had a hot finish for the place, and the former won by a head.

106; Supervasor, 104; Middlestone, 104; Knosburn,
104; Janesh, Donaman, 96 each; Squanderer, 90 lb.

Sixth Race-Selling, Dre-edgishe, of a mile.—
Kempisand, 104; Maca, Squanderer, 90 lb.
Sixth Race-Selling, Personder, Squanderer, 90 lb.

TIPS ON TO-MORROW'S RACES.

entries for Clifton's races to-morrow are neavy and there is that element of uncerainty as to the winner which is always so attractive to the speculators. The fields in the several events should be productive of good racing.

furlongs. At the weights St. Parts appears to have the best chance of the lot, and he should win. Cheeney looks promising for the place. His last race should not be taken as a criterion, as it was beyond his distance. Manoia ought to beat the rest.

all ages, looks as though the finish would be between the youngsters entered. Rumpus The prospect of having two who ley up, should manage to get under the wire

The regular two-year-old race is at six fur-

SPECIAL TO THE WORLD. WARRINGTON, Dec. 2. - The House Committee on Cersus to-day adopted a resolution granting a hearing to the representatives of the city of New York on the subject considered not improvable. Johnnie's dis-of the alleged discrepancies in the Federal charge from the hospital will probably be proennmeration.

The hearing will take place on Friday at o'clock a. M., and New York's case will be stated by Attorney John M. Bowers, wno ias been retained by Mayor Grant. Secretary Spier leaves for New York this fternoon and will return on Friday armed

CAN WOOD DIE THIS WEEK?

Warden Brush Is Anxiously Seeking the Answer at Albany.

ALEANY, Dec. 2 -Warden Brusu, of Sing Sing Prison. Who has been anxiously awaiting Attorney-General Tabor's official opinion as is whether Judge Brown's order is to be construed as granting a stay in the execution of Murderer Joseph Wood's pending the action of way, over the sudden disappearance of certhe United States Supreme Court, walked into the Attorney-General's office here this after-

Attorney-General Tabor was in Syracuse trying a case in the General Term, but was expected here late this atternoon or this evening.
Warden Brush says that unless the Attorney
General concludes that Junge Brown's order
operatos as a stay Wood will die tals week.

FOR ALL NIGHT L TRAINS.

Aldermen Unanimously Ask the Legislature to Take Action. At the meeting of the Board of Aldermen to day Alderman Daily struck out at the Manhattan I with a resolution which is intended to make it run trains on its Ninth avenue

branch all night, At present no trains are ran between 8 P. M. and 5 A. M. The resolution was in the nature of a request to the Legislature to has an act competing the strength of the distribution of t

Johnnie and Yip Couldn't Sample the Snow This Morning.

Their Bones Progresses.

If the Doctors Are Correct Johnnie Will Skate This Winter.

Blackwell's Island this morning at the snow that was struggling to preserve its existence in the face of the bright sunlight.

spanies Yip, who has grown to be part of his very existence, by reason of the supposed cone-union between them, and sighed deeply. quired Beila, his pretty nurse.

ou call it, would harry up and get grafted so tions of yesterday. could leave this place. "And why are you so anxious to leave?"

"Oh, yes; it sin't that that I'm kicking about," replied the boy, "but I tell you he pretty hard to lay here for weeks without ground, too. "Why, what's the snow got to do with it?"

"Well, I guess you never was a boy or had brother, or you wouldn't ask any such quesion. Don't you know that Winter where I came from is just the buillest time of the whole year? No? Well, it is.

skating, sliding, sleigh-riding, snowballing and making snow forts and lots of things, that you can't do in the Summer.
"Of course I never could skate or alice

any of the boys can, can't 1? "Well, then, that's what I'm kicking about. Even if Yip won't have only three legs, she'il be able to get slong first rate I guess, and we could have great times together. But if we've

A tremendous "thump, thump," on the part of Yap's tail seemed to echo "That's so!" and it required considerable effort on the part of would probably regain their liberty in a few

Johnnie has made a wonderfully contented patient, but he is only a boy after all and as his condition improves it seems only natural The second event, a dash of five furiongs for that he should long to get out of a sick bed and

The prospect of having two whole legs, "like other boys " has also opened new possibilities longer distance and, with the hustling Lamb- and pleasures in the boy's life to which he has nitherto been an almost total stranger, and in his eagerness to participate in these untasted joys it is little wonder that he is becoming quite restless under his long continued re straint.

both boy and dog seem to indicate that their stay at the hospital is not long, nothing positive can be learned regarding the purposes of the attending physicians. These worthies are becoming more and

seekers after information, and with difficulty can be induced even to acknowledge that "it's a fine day," for fear of committing themselves or that their admissions may be published.
Their extreme reticence is said to be the re-

sult of heroic action on the part of a physician in higher authority, whose signature is necessary to secure these medical students, for such they are in reality, their diplomas. The alleged intimation that this particular

signature would be wanting upless implicit obedience was given to his orders for secrecy, is said to have caused the would-be M. Ds. to "say nothing, but saw wood," on the principle that a diploma in the hand is worth two in the bush.

Johnnie's and Yip's legs by Sunday week, as is onged for some time, as the successful grafting of Yip's leg bone into Johnnie's shin does not complete the operation.

Yep's leg will then be amputated, leaving an nch of her tible part and parcel of Jonnnic's.

joined the lower portion of his leg bone, which has been enjoying over two weeks of innocaous descetude,
All this will require days and possibly weeks

deing other things."

ERIE STOCK STOLEN. There is much mystery at the broker's offices of Stewart Brown's Sons, 64 Broadtificate No. 2,182, for 100 shares of Lake Erie and Western Railroad Company com-

The cratificate bears the firm's name, and up to a week are was resting among other certificates in their cafe, when an attempt to scan its familiar features disclosed the fact that it was missing.

The transfer of the certificate was at once stepped, and all parties have been warned against negotiating it, while a thorough investigation of the matter is being made by the time. estigation of the matter is being made by Bresce hie firm.
At the firm's office this morning there was Can h. H.

STOCK REPORTS.

During the Early Hours.

A Decline Follows Below Last Night's Figures.

Special Drive Against N. P. Preferred-Gould's Supposed Plans.

The Wall street markets were without ripple during the early hours of to-day's busi- 080.55; of this, \$229,668,584.57 came from cusness. The buils were considerably elated by the receipt of cables from London before the taxes. opening, which showed that quotations for Americans there were above our final quota- \$338,618.584.52. The increase in the amoun

This was made the most of, and prices put up & to 1 per cent, all around. Lackswanns, which was first marked down from 127 to 126, distinguished itself by climbing up to 12s after the first lew sales had been registered.

Notwithstanding the improvement in London sardly daring to move and see snow on the there was a noticeable absence of support from the buil leaders, and before noon not only had the early advance been lost, but some stocks were below their rating of last night.

A special drive was made against Northern Pacific preferred, which broke 3 points to 60%. Inton Pacific fell from 49% to 48%, Atchison St. Paul from from 50% to 40%, Hock Island 250,000 of the claimants for pensions under old the string, sleigh-riding, sleigh-riding, specific and western Union from 18 we have availed themselves of the right to from 30% to 29%, Burlington from 87% to 86%, The general impression is that Gould,

> jag of stocks on last week's bulge, and are emporarily allowing the little traders to fight

It out among themselves.

The inability to secure round amounts of money on time is agreat drawback to operations on the bull side.

It is possible that a call will be issued before the end of the week for a conference of the railroad presidents, and that on the strength of this Gould will take hold for an upward larn. got to stay here much tonger the snow will all

of this Gould will take hold for an upward turn.

In the mean time those who were unfortunate enough to go long at high prices are turconsolable, and are laveigning against the luck which placed them in their present plight. The temper of speculation underwent a radical change during the aftersoon, and the early decline was recovered under the leadership of Lackawanna, which crossed 130.

The rally was assisted by a strong closing for Consols and American securities in London; by a reduction in sterling exchange to 4.82 and 4.87, by a comparatively easy working of the local money market at 5 a 6 per cent, for call loans and by the absence of failures of Stock Exchange firms.

Money late in the day lent as low as 4, then the rate auddenty jumped to 5a;

The sales at the New York Stock Exchange to-day were 322, 285 shares of listed stocks, 70,000 ounces of sliver and 10,000 barrels of Pennsylvania cil.

The Closing Quotations.

WINDOM'S BUDGET

Annual Report of the Secretary of the Treasury Filed To-Day.

But the Knitting Together of London Advices Make a Bull Market Why We Need More Money to Pay Pensions.

> Effect of the Tariff and Silver Coinage Laws on Our Finances.

(SPECIAL TO THE EVENING WORLD.; WASHINGTON, Dec. 2.—The report of the Sec. retary of the Treasury was presented to Con gress to-day.

Secretary Windom states that the receipts of the Government from all sources, for the fiscal year ending June 30, 1800, were \$463, 963, toms, and \$142,006,705, 81 from internal revenue

The expenditures for the same period were paid for pensions was \$19, 812, 075, 96.

All told, \$76.857, 678.90 was used in the pu Chase and resemption of the National debt.

For the present fiscal year the revenues are estimated at \$400,000,000, and the estimated expenditures at \$354,000,000. In this estimat \$133,000,000 is included for pensions. The Sec retary estimates the revenues for the ascal year of 1802, at 1873,000,000 and the expenditures for the same period at \$357, 852, 200. 12.

The increase of \$65,508, 804.72 in the estimate for 1892 over those for the present year in pensions, and \$8,217,000 in the naval budget. The estimate for pensions of \$135, 263, 685 for the year 1892, is based upon the fact that ove laws have availed themselves of the right to 1890. Claims presented under the new law will Cammack sud their following sold a draw a less monthly rate, and carry arrearages for only a short time, and for small amounts. while under the old laws many of them carry very large arrearages, and many of which will nave been pate during the fiscal year 1891.

The transfer of claims from the old to the

new law will, therefore, very largely reduce

stimated at \$10, 000, 000 for the year 1892. For these reasons it is estimated that the amount above named for 1892 will be sufficient to meet the aggregate requirements for that year. A change in the method of paying pension from quarterly to monthly is recommended. The total apparent surplus in the Treasury

Sept 10, when the money stringency culmi nated, was \$99,509, 220. Deducting the deposits

solution, when the money stringency cuiminated, was 599, 509, 230. Deducting the deposits in national banks and the fractional silver and forming, Joseph R. Duryes, George that the fractional bank note redemption fitues, the transfer being anthorized by Congress. The Secretary are use at length to show that the money market attringency was not due to the absorption of money by the Treasury.

The receipts from all sources of internal revenue for the year ended June 39, 1890, were sixty, 596, 597, an increase over the previous year of \$11,00, 302, 577. There was a reduction in the cost of collection of \$40, 67, 85. There was an increase in the last year of \$11,00, 502, 577. There was a reduction in the cost of collection of \$40, 67, 85. There was an increase in the last year of \$10, 67, 85. There was an increase in the last year of \$40, 67, 85. There was an increase in the last year of \$10, 67, 85. There was an increase over the previous spirits of the work in the cost of collection of \$40, 67, 85. There was an increase over the previous spirits of the work in the cost of collection of \$40, 67, 85. There was an increase of the secretary save; and other provisions have been adjusted upon a comprehensive view of the variant discussion herein of its many details. It is believed that the measure is cound in principle, and that its several classification, and the principle of provisions have been adjusted upon a comprehensive view of the variant discussion herein of its many details. The last should have a money of the complainant was soon considerably in the same line as that pursued in the receipt believe that the measure is considerably and the new holes country.

Clifton Race-Goers Be-

GOOD WINNING ON PEARL SET.

A Little Incident Showing What's

Racegoers who visited the Clifton race course yesterday went home wondering if certain things which are becoming daily practices at decided improvement over that of last Friday.

of a certain horse and jockey were simply Snapper Garrison had the mount on Cortes and James McLaughlin had the mount on Saille Harper. Cortez, with Garrison up, was steadily retrogaded in the betting until 5 to 2 was at length offered against him, as against to 5 at the opening. Garrison never made an effort with Cortes during the entire race. He

furlongs had been run the Snapper had yanked him back to last, and going down the back-

siretongs had been run the chapper has yearshim back to last, and going down the backstretch was two lengths behind his field. Then, when Garrison eased the horse a little, Cortes ran by has competitors in the atretch like a wild horse and finished a close fourth. There was no effort made by Garrison in any part of the race. He actually finished under the wire with a pull on his mount. He could have won from the head of the siretch.

After the race, Garrison explained that me horse had been cut down by Gettysburg, when the latter fell, and that afterwards he was unable to get any speed from his mount. Such an explanation was farcical, for the horse showed great speed in the afrech. The public are beginning to wonder whether the judges intend to wink at such exhibitions day by day.

One would imagine that the Association would make some show at investigation, but they seen inclined to have everything by. If these performances are to be kept up, then it is time that the public should act its seal or disapproval in such emphatic terms as to be unmistakaule.

Outside of the Cortex race the running in the several events was nighty satisfactory, and showed a decided improvement over the racing of last Thursday. Every savorite won, and the bookmakers left the track with empty

The defeat of Badge yesterday by My Follow afforded a considerable degree of satisfaction to many people who have not forgotten the sensational occurrences of last Friday.

August Beimont's stable is to be sold after all. So it was officially announced yesterday. This sets at rest all the contradictions that have been flying about since the great turfman's death.

Green B. Morris has sold the fast sprinter ripstaff to Dan Honer. The latter should win Tipstaff out at the Winter tracks.

cludes an increase of \$30, 676, 000 in the item for Police Board Formally Investigating Alderman Oakley Makes a Startling Statement in the Board To-Day.

the Board this afternoon by declaring that he had been offered a bribe to vote for the East The petition of the projectors has been in the hands of the Committee on Bridges and Tunnels ever since Feb. 25, and to-day Alderman

Algerman Oakley opposed the motion in

long speech, in which he said that the mem-

Alderman Patrick N. Oakley, of the Third

bers of the Tunnel Committee had been accused, time and again, of holding back a report on the matter because they were looking "I have been offered bribes to vote for it," said he, "and I have no doubt that similar offers have been made to other members," Alderman Dinkel, who is a member of the Committee, but who knows nothing of the

Finch, John H. Holden, M. P. Sherman, William Gunning, Joseph R. Duryen, George F. MacIntonh and Edward Martini, Capt. Killitea's witnesses were William C. and H. C. Barrett, of the liarrett House; Canning McBritton, Robert Gordon, Joseph M. Hecht, and James E. Dougnerty, business men of his precinct, and Police Captains Stephenson and Grant.

Cisrk Bell, who lives at 108 West Fortyforts street, swore to the general osarreputation of the resort, and that it was frequented by evil characters of both sexes.

The only positive innaince given by him of his own knowledge happened after and not before Capt. Killitea replied to his complaint that the house was all right.

John H. Holden, of 48 West Fortieth street, said he had always lived in the neighborhood and had alwars understood that the hotel in onesting was a disorderly resort.

Not of the Farmer's Alliance but o Alliance Principles. INTECIAL TO THE EVENING WORLD. OCALA, Fla., Dec. 2. - The National Farm-

nearly the entire expected representation Though the Alliance men declare that they

sas, makes this distinction between the Alli-ance itself and the third or Feople's party: It is not an Alliance party, but the party of the people who believe in Alliance princi-

in his annual address to-day President Polk police squad and rose to the grade of coxswain, from which he was made bergeant.

On March 16, 1861, he was made sergeant, and on March 4, 1867, followed his promotion to a precinct command. For many vers after he navigated Broadway in charge of the squad of six-f-oters, steering always due north and south.

He was transferred to the Seventh Precinct inentioned.

FORCE BILL IN THE SENATE.

Nothing Else Does.
